The Illustrated Parts Catalog (IPC) must be used to identify parts and component replacement request. The IPC should never be used as a component removal, installation and maintenance procedure.

This catalog is intended to be used in conjunction with the equipment Maintenance Manual (MM).

The catalog features:

1. A table of contents listing the chapters;
2. An isometric view of the equipment with emphasis on the set shown in the chapter;
3. An exploded view of each equipment set and its respective list of components;
4. The numbering of the pages is composed initially by the number of the chapter and followed by chapter page number.

PART DESIGNATION

AEROMOB parts are designated using the following code:

AM-HDM-135-S01

AM: AEROMOB

HDM: Product family line of the equipment

135: the equipment model

S01: part-specific code.

The Part Number used to designate standard commercial parts such as screws, bearings and similar parts vary, according to the necessary specification in each item. In some cases, manufacturers codes are also used.

AEROMOB special tools are designated with an "FM" prefix, keeping then the identification code of the equipment to which it is applied.

PART AVAILABILITY

"YES" indicates the part is available as a separate replacement item.

"NO" indicates that the part is no longer available or is only available as part of a set.

ABBREVIATIONS

IPC – Illustrated Parts Catalog

BICR - Bichromated CL - Class

DISP - Parts availability SS - Stainless steel

HS - Hexagon socket WS - Worm shaft

TS - Top Shaft

INTRODUCTION

WARRANTY

AEROMOB applies the standard 1-year warranty on parts and components purchased from AEROMOB or an authorized dealer.

RETURNS

No unused parts may be returned to AEROMOB for credit if the parts show any indication of wear or damage, or if the cost of the individual part is less than \$25 (US). Parts returned within 30 days of purchase will be valued at a 20% restocking fee. No part may be returned after 30 days without AEROMOB's prior approval. Any parts approved for return after 30days will be evaluated at a 50% restocking fee.
